### *Director Section*

I am recommending that the above student audition for the All-County Band. Before recommending this student, I have confirmed that they are prepared for the audition.

I will attend **ALL** clinician-run rehearsals to supervise students from my school. If I cannot attend, I will send a representative (faculty, staff, or administration - **not parents**) from my school to monitor rehearsals. If there is no school representative, I understand that my student will not be able to attend rehearsal and may be dismissed from the group.

I will attend both audition (October 28<sup>th</sup>, 2009) and sectional (January 29<sup>th</sup>, 2010) nights prepared to work. If I do not attend both nights I understand my students will be dismissed from All-County Band.
